

CABANA - October 2015

NEWSFLASH

IT'S AUTUMN AND WE ARE VERY CLOSE TO REACHING OUR GOAL OF 2200 SUBJECTS. ENROLLING 2 SUBJECTS A MONTH PER SITE WILL MAKE THIS POSSIBLE!

Currently, there are 2,024 patients enrolled globally!

A Big Thank You to All !

We are getting close to our next anticipated enrollment goal of 2,200 Patients!

Spotlight on recruitment

A special THANK YOU to:

Dr. Revishvili and his site team for recruiting 5 Patients from September 2015 until today

Dr. Nölker and his site team for recruiting 4 Patients from September 2015 until today

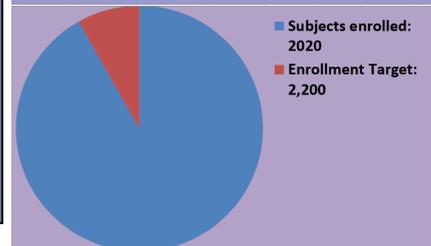

Dr. Pokushalov and his site team for recruiting 2 Patients from September 2015 until today

What's 'New' in CABANA InForm Release Version 5.0

The new database update contains Forms, data fields, data field corrections and a few structural modifications that will enhance and facilitate data entry in addition to few questions. Also new visits corresponding to Long-term Follow-up visits for subjects participating to the Long-term Follow-up and Visit windows adjustments are now implemented.

InForm Data Status

The InForm Data Status has dropped below 90% for some countries—Your support is needed to keep the level above 90% !

Please answer open queries and enter late visits for your patients as soon as possible into the InForm System.
